**Subject:** JPEM: Your manuscript entitled Forming box-shaped ends in circular tubes

---

Ref.: Ms. No. JPEM-D-14-00169R2  
Forming box-shaped ends in circular tubes  
International Journal of Precision Engineering and Manufacturing

Dear Dr. Tan,

Reviewers' comments on your manuscript have now been received. Based on the recommendation of the Editor and the reviewers' comments, I am glad to inform you that your manuscript has been accepted for publication in IJPEM. Please follow all the instructions which you will be receiving from our Editorial Office regarding further processing of your manuscript.

We greatly appreciate your selection of our Journal for publishing your valuable work.

Thank you again for your contribution to the IJPEM.

With best regards,

Dae-Eun Kim  
Editor in Chief  
International Journal of Precision Engineering and Manufacturing

It seems that the revised manuscript was properly modified by reflecting the reviewers' comments.
