Dear Miss Isika,

It is a pleasure to accept your revised manuscript entitled "Knowledge sharing behaviour of postgraduate students in University of Malaya" in its current form for publication in The Electronic Library.

By publishing in this journal, your work will benefit from Emerald EarlyCite. This is a pre-publication service which allows your paper to be published online earlier, and so read by users and, potentially, cited earlier. Please note, EarlyCite is not a proofing service. Emerald operates a ‘right first time’ policy, which means that the final version of the article which has been accepted by the Editor will be the published version. We cannot allow further changes to the article once it has been accepted.

Please go to your Author Centre on ScholarOne Manuscripts (Manuscripts with Decisions/Manuscripts I have co-authored) to complete the copyright assignment form. We cannot publish your paper without the submitting author’s completed copyright form. However, we strongly recommend that all authors complete the form and verify their full contact details, to ensure that the complimentary author pack is correctly despatched upon publication. If you wish to make any changes to your mailing address, this can be done by selecting ‘Edit Account’ in the top right-hand corner of the page.

In addition to updating your account details, please contact the journal Publisher with an updated title page to ensure that the correct information is published.

If you would like more information about Emerald’s copyright policy please visit the Instructions & Forms section in the Resources section of your Author Centre.

Please note that Emerald requires you to clear permission to re-use any material not created by you. If there are permissions outstanding, please send these to Emerald as soon as possible. Emerald is unable to publish your paper with permissions outstanding.

Thank you for your contribution. On behalf of the Editor of The Electronic Library, we look forward to your continued contributions to the Journal.

Yours sincerely,
Dr. David Ratt
