2.5 Negative Effects Of Library Anxiety ........................................ 73
   2.5.1 Library Avoidance Behaviours ........................................ 73
   2.5.2 Students Academic Success ........................................... 75
2.6 Library Anxiety And Selected Independent Variables .................. 79
2.7 Library Anxiety And Library Instruction ............................... 89
2.8 Library Anxiety Among Different Cultural Groups ..................... 93
2.9 Summary ............................................................................. 95

CHAPTER 3: METHODOLOGY
3.1 Introduction ........................................................................... 96
3.2 Research Approach ............................................................. 97
   3.2.1 Phase 1: Qualitative Approach ....................................... 97
   3.2.2 Phase 2: Quantitative Approach ....................................... 97
3.3 Research Method ................................................................. 98
   3.3.1 Mixed Methods ............................................................. 98
   3.3.2 Mixed Methods in Library Anxiety Area ........................... 99
   3.3.3 Advantages of Mixed Methods ........................................ 100
   3.3.4 Criteria For Mixed Method Design .................................. 101
   3.3.5 Types of Mixed Methods Designs .................................... 102
   3.3.6 The Sequential Model Design ........................................ 103
3.4 Mixed Methods Phase 1: Qualitative Approach ......................... 104
   3.4.1 Data Collection: Diary Method ....................................... 104
   3.4.2 Advantages of Diary Method ......................................... 107
   3.4.3 Types of Diaries ........................................................... 108
   3.4.4 Diaries Format .............................................................. 110
   3.4.5 Data Collection Procedures: Population and Sampling ....... 111
   3.4.6 Participant’s Information .................................................. 115
   3.4.7 Training and Follow Up Sessions .................................... 116
   3.4.8 Collecting The Diaries .................................................... 119
   3.4.9 Data Analysis Method: Qualitative Content Analysis ......... 121
   3.4.10 Processing The Diary Entries Into The Computer ............. 125
   3.4.11 Trustworthiness ............................................................ 136
CHAPTER 4: ANALYSIS OF THE DIARIES ENTRIES

4.0 Introduction................................................................. 185

4.1 Library Environment...................................................... 185
  4.1.1 Library Layout......................................................... 186
  4.1.2 Arrangement and Cleanliness...................................... 186
  4.1.3 Lack of Security...................................................... 187
  4.1.4 Shortage of Library Lockers...................................... 188
  4.1.5 Crowding in The Library........................................... 189
  4.1.6 Disturbances.......................................................... 190
  4.1.7 Poor Lighting........................................................ 192
  4.1.8 Offensive Smells................................................... 192
  4.1.9 Poor Ventilation..................................................... 193
  4.1.10 Sitting Places....................................................... 193
  4.1.11 Library Size and Space......................................... 194
  4.1.12 Location of The Library......................................... 195
  4.1.13 Mingling of Sexes................................................ 196

4.2 Negative Perceptions Towards Library Regulations............. 196

4.3 Negative Perceptions Towards Peers................................ 197
4.3.1 Causing Disturbance in The Library............................. 197
4.3.2 Mishandling of Books and Reference Resources............. 199
4.3.3 Hiding Books.................................................. 199
4.4 Negative Perceptions Towards Library Staff.................... 200
4.4.1 Indifferent Staff.............................................. 200
4.4.2 Irritable Staff.................................................. 201
4.4.3 Discriminatory Behaviours towards Students............... 202
4.4.4 Non-Provision of Aid and Instruction to the Students...... 202
4.4.5 Not Maintaining Order Inside the Library..................... 203
4.4.6 Poor Re-shelving of Books................................... 204
4.4.7 Lack of Professionalism amongst Library Staff............. 205
4.5 Negative Perceptions Towards Library Services................. 206
4.5.1 Relevance and Current References.......................... 206
4.5.2 Lack of Loan Services ...................................... 207
4.5.3 Non-availability of Card or Online Library Catalog ......... 207
4.5.4 Provision of Photocopiers ................................... 209
4.5.5 Provision of Printed Signage .................................. 209
4.6 Negative Perceptions Towards Library Collection.............. 210
4.6.1 Library Provision of Books and Reference Books............ 210
4.6.2 Multiple Copies of References................................ 210
4.6.3 Provision of Non-book Material............................... 211
4.7 Affective Barriers.................................................. 212
4.7.1 Feeling Anxious When Searching for Materials.............. 212
4.7.2 Anxiety as a Result of Low Self-Esteem ...................... 216
4.7.3 Anxieties Associated With Academic Library Building ...... 217
4.7.4 Anxieties Associated with Academic Library Staff.......... 220
4.7.5 Feelings of Distraction........................................ 221
4.7.6 Library Avoidance Behaviours................................ 222
4.8 Cognitive Barriers............................................... 223
4.8.1 Anxious while Writing Research Papers ...................... 224
4.8.2 Anxious Because Subjects Are Difficult or Unfavourable .... 224
4.8.3 Anxious When Textbooks are written in English Language....... 224
4.9 Summary ........................................................................................................... 225

CHAPTER 5: ANALYSIS OF THE SURVEY
5.0 Introduction ......................................................................................................... 229
5.1 Faculty Libraries in the Study ............................................................................... 229
5.2 Description of Sample’s Library Use .................................................................... 231
5.3 Instrument Validation ............................................................................................ 232
5.3.1 Instrument Reliability ....................................................................................... 234
5.4 Description of The Questionnaire .......................................................................... 235
5.5 Research Questions ............................................................................................... 237
5.6 Summary of Research Questions .......................................................................... 247
5.7 Hypotheses ........................................................................................................... 247
5.8 Summary of Hypotheses ....................................................................................... 289

CHAPTER 6: DISCUSSION AND RECOMMENDATIONS
6.0 Introduction .......................................................................................................... 293
6.1 Discussion of Quantitative Findings ................................................................. 293
6.2 Unsubstantiated Findings ..................................................................................... 310
6.3 Independent Variables and Library Anxiety ....................................................... 315
6.4 Implications For Academic Libraries In Sudan .................................................. 328
6.5 Recommendations For Future Research ............................................................ 332
6.6 Summary ............................................................................................................. 333
BIBLIOGRAPHY ....................................................................................................... 335

APPENDICES
APPENDIX A ............................................................................................................ 349
APPENDIX B ............................................................................................................. 351
APPENDIX C ............................................................................................................. 352
APPENDIX D ............................................................................................................. 353
APPENDIX E ............................................................................................................. 354
APPENDIX F ............................................................................................................. 360
LIST OF TABLES

Table 2.1  Summary of Library Anxiety Measures ................................................................. 46
Table 2.2  Summary Of Components Of Library Anxiety And Other Sources Which Were Not Measured .......................................................................................................................... 72
Table 2.3  Relationship Between Library Anxiety And Various Independent Variables In Previous Literature .............................................................................................................. 92
Table 3.1  Total Number Of Students Registered For Research Method, Semester 1, 2006/2007 .................................................................................................................................. 113
Table 3.2  Female (F) And Male (M) Participants From Different Faculties ......................... 116
Table 3.3  Summary Of Follow Up Meetings ............................................................................ 119
Table 3.4  Summary Of Diaries Distribution ............................................................................ 121
Table 3.5  Coding The Meaning Units ....................................................................................... 129
Table 3.6  Attributes Extracted From Diaries And Their Interpretation .............................. 129
Table 3.7  Emotional Attribute Extracted From Table 3.6 ........................................................ 130
Table 3.8  Behavioural Attribute extracted from Table 3.6 ..................................................... 130
Table 3.9  The Development Of Initial Categories From Codes ........................................... 131
Table 3.10 Techniques Applied to Establish Trustworthiness ............................................... 145
Table 3.11 Distribution Of Population Of The Study During Semester 1, 2007-2008 ........ 148
Table 3.12 Number Of Students In The Sample According To Their Faculties And Gender.. 151
Table 3.13 Descriptions Of Faculty Libraries ........................................................................ 151
Table 3.14 Statements Selected To Represent Subcategories For The Questionnaire ......... 156
Table 3.15 Coding Of Questionnaire Problems ........................................................................ 163
Table 3.16 The Form Used to Summarize Comments And Problems Indicated In the Returned Questionnaire From a Single Participant .................................................... 163
Table 3.17 Description Of The Participants Of The Pilot Study ............................................ 165
Table 3.18 Percent Of Explained Variance In The Rotated Solution By The Library Anxiety Factors ......................................................................................................................... 170
Table 3.19 Rotated Component Matrix .................................................................................... 172
Table 3.20 Items of “negative perceptions towards library environment” Factor ................. 175
Table 3.21 Items Of “affective barriers” Factor ...................................................................... 176
Table 3.22 Items Of “negative perceptions towards peers” Factor ..................................... 176
Table 3.23  Items Of “negative perceptions towards library services” Factor  
Table 3.24  Items Of “negative perceptions towards library collections” Factor  
Table 3.25  Items Of “negative perceptions towards library regulations” Factor  
Table 3.26  Items Of “cognitive barriers” Factor  
Table 3.27  The Alpha Value Of Each Dimension Of library Anxiety  
Table 3.28  Descriptive Statistics Of Each Dimension Of Library Anxiety Construct  
Table 4.1  Summary Of Statements Under Construct’s Themes Components  
Table 5.1  Description Of Academic Libraries At The Different Faculties  
Table 5.2  Frequency Of the Sample By Gender and Age  
Table 5.3  Sample Distribution Among Faculties And Year of Study  
Table 5.4  Frequencies And Purposes of Library Use  
Table 5.5  Kaiser-Meyer-Olkin (KMO) Measure Of Sampling Adequacy And Bartlett's Test  
Table 5.6  Eigen Values And Percent Of Explained Variance In The Rotated Solution By The Factors  
Table 5.7  Summary Of Instrument Validation Process  
Table 5.8  Summary And Distribution Of The Instrument’s Questions  
Table 5.9  Items Related To “negative perceptions towards library environment”  
Table 5.10  Items Related To Students’ “affective barriers”  
Table 5.11  Items Related To Students’ negative perceptions towards peers’ behaviours  
Table 5.12  Items Related To Students’ negative perceptions towards library services”  
Table 5.13  Items Related To Students’ negative perceptions towards library collection  
Table 5.14  Items Related To Students’ negative perceptions towards library regulations
