Dear Dr Huri,

Thank you very much for the time you spent making the revisions.

I am delighted to inform you that your article has now been accepted for publication.

Your article is scheduled for our January issue, and a member of our production team will contact you shortly with the galley proofs, once the manuscript has been typeset. If you have any queries regarding the typesetting of your manuscript beforehand, please do not hesitate to get in touch with me.

If you are going to be away at all over the next few weeks, and unavailable to check the galley proofs, I’d appreciate if you could let me know.

Future Medicine offers authors the option to publish their article on an Open Access basis. This means that your article is made freely available online with full open access subject to an article-processing fee. If you require further information about this option, please let me know.

In the meantime, please do not hesitate to contact me if you have any queries.

Best wishes,

Sarah
