Dear Mohammad Abousaeidi, Dr. Rosmadi Fauzi and Dr. Rusnah Muhamad,

On behalf of the Organising Committee, it gives me great pleasure to inform you that your paper entitled “Application of Geographic Information System (GIS) for distribution of fresh vegetables considering the Vehicle Routing Problem (Study Area of Kuala Lumpur & Klang Valley, Malaysia)” has been accepted by the ICIWG2010 review committee to be presented orally and is to be published in the congress proceedings booklet. The 4th International Congress of the Islamic World Geographers (ICIWG2010) will be held during 14 - 16 April 2010, in University of Sistan and Baluchestan, Zahedan, Iran.

We sincerely hope that you will join us in making ICIWG2010 congress a true success and you will find your participation in the conference rewarding and professionally interesting.

If you have not completed the personal information form yet, please complete it now and send to Mrs “Marzie Daraei” via our secretarial email address: ICIWG@usb.ac.ir.

We are looking forward to your participation in ICIWG2010, Zahedan, Iran.

Yours sincerely,

Scientific Chairman,
Dr. Mahmoud Khosravi

Congress Secretary,
Marzie Daraei
